BRIEFING // 01

THE CORP IS HIRING BROADCASTERS.

Faceless Ape Corp is a co-op sci-fi extraction shooter for Meta Quest. You swing through hostile alien biomes, fight swarms of creatures with your squad and a robot PET, grab the loot, and get out alive.

Co-op multiplayer | **Arm** locomotion | **Extraction** runs | Robot **PET** companion | Alien **biomes**

Grid-Casters are the creators who broadcast it. Join the program and the Corp pays you back in loot, visibility, and support.

LOOT NOBODY ELSE CAN GET

Badges, PET skins, weapons, outfits and an in-game area reserved for Grid-Casters. Your viewers will see you wearing it.

YOUR VIEWERS CAN BACK YOU

From Rank 4, you get a personal bundle code. Every time a player uses it, they're supporting your rank, helping you get prizes.

FEATURED IN THE HUB

Top Grid-Casters and videos are shown on boards inside the game's Hub, where every player passes through.

REWARDS FOR EVERY VIDEO

Broadcaster achievements pay out currency, special cosmetics and crate shipments as you create.

HOW YOU RANK UP

There are no fixed cutoffs. Each month the Corp reviews four things and assigns the rank that best fits your channel. Strength in one area can make up for another, so a smaller channel with a breakout video can rank up fast.

SUBSCRIBERS
The size of your channel's audience.

BEST VIDEO
How far your single best Faceless Ape Corp video reached.

MONTHLY VIEWS
Total views on your Faceless Ape Corp content in one month.

ACHIEVEMENTS
Broadcaster achievements you've completed.

WHAT EACH RANK LOOKS LIKE

1	**FIELD CASTER**	New or growing channels starting to cover Faceless Ape Corp.
2	**SIGNAL CASTER**	Regular creators building a steady audience around the game.
3	**STRIKE CASTER**	Established channels whose videos reliably draw views.
4	**CHIEF CASTER**	Large channels with strong, repeat reach and a solid achievement record.
5	**GRID COMMANDER**	Top creators whose content moves the player base.

Ranks are reviewed every month, so you can climb at any time.
